POST SHOW REPORT 2024

# Drawing to a successful close

## 5th TOS+H Expo consolidates its pole position in occupational health in Türkiye.

The fifth **TOS+H Expo**, held in Istanbul from 2 to 4 May 2024, was a resounding success. At the 3-day event 163 exhibitors from 19 countries presented innovative products and technologies in occupational safety and health such as Personal Protective Equipment (PPE), smart wearables, AI-based health coaches and Virtual Reality applications. 4,143 visitors from 53 countries underlined the great, also international interest and the trade fair's increasing importance in the region.

### Interactive OSH Sessions organised by TIGIAD

The stand of TIGIAD, Turkish Businessmen Association for Work Safety in Türkiye was very popular thanks to numerous specialist presentations on health at work.

"**TOS+H Expo** has proven an indispensable platform, not just for presenting innovative products and technologies, but also for the exchange between regional experts and international manufacturers that drives progress in the field of safety and health at the workplace. The combination between exhibition and symposium makes a decisive contribution to the development of new standards for a safe world of work in Türkiye," explains Petra Cullmann.

As the leading trade fair for occupational safety in Türkiye, **TOS+H Expo** provides a relevant platform for exchanging ideas on products and the latest trends and technologies in the field of safety and health at work. It is held by **Messe Düsseldorf** in cooperation with the local organiser **Tezulas Fuar**.

Further valuable support was given from:

The trade fair was opened by Mr Sadik Ayhan Saruhan, Vice-President of the **Istanbul Chamber of Industry** and organiser of the concurrently held symposium along with Mrs Eylül Aydın Kutlu and Muhammet Kamil Isik, both Deputy General Directors at the **Turkish Ministry of Labour and Social Security**, as well as Mrs Petra Cullmann, Executive Director at **Messe Düsseldorf**.

### Expert symposium attracts great attention

The symposium on occupational safety and social security held concurrently by the **Istanbul Chamber of Industry** attracted over 1,670 participants. In 16 sessions relevant topics such as safety and the prevention of occupational accidents, occupational safety practices in companies and government/local authorities as well as earthquake and disaster relief were discussed.

### Government and industry hand in hand

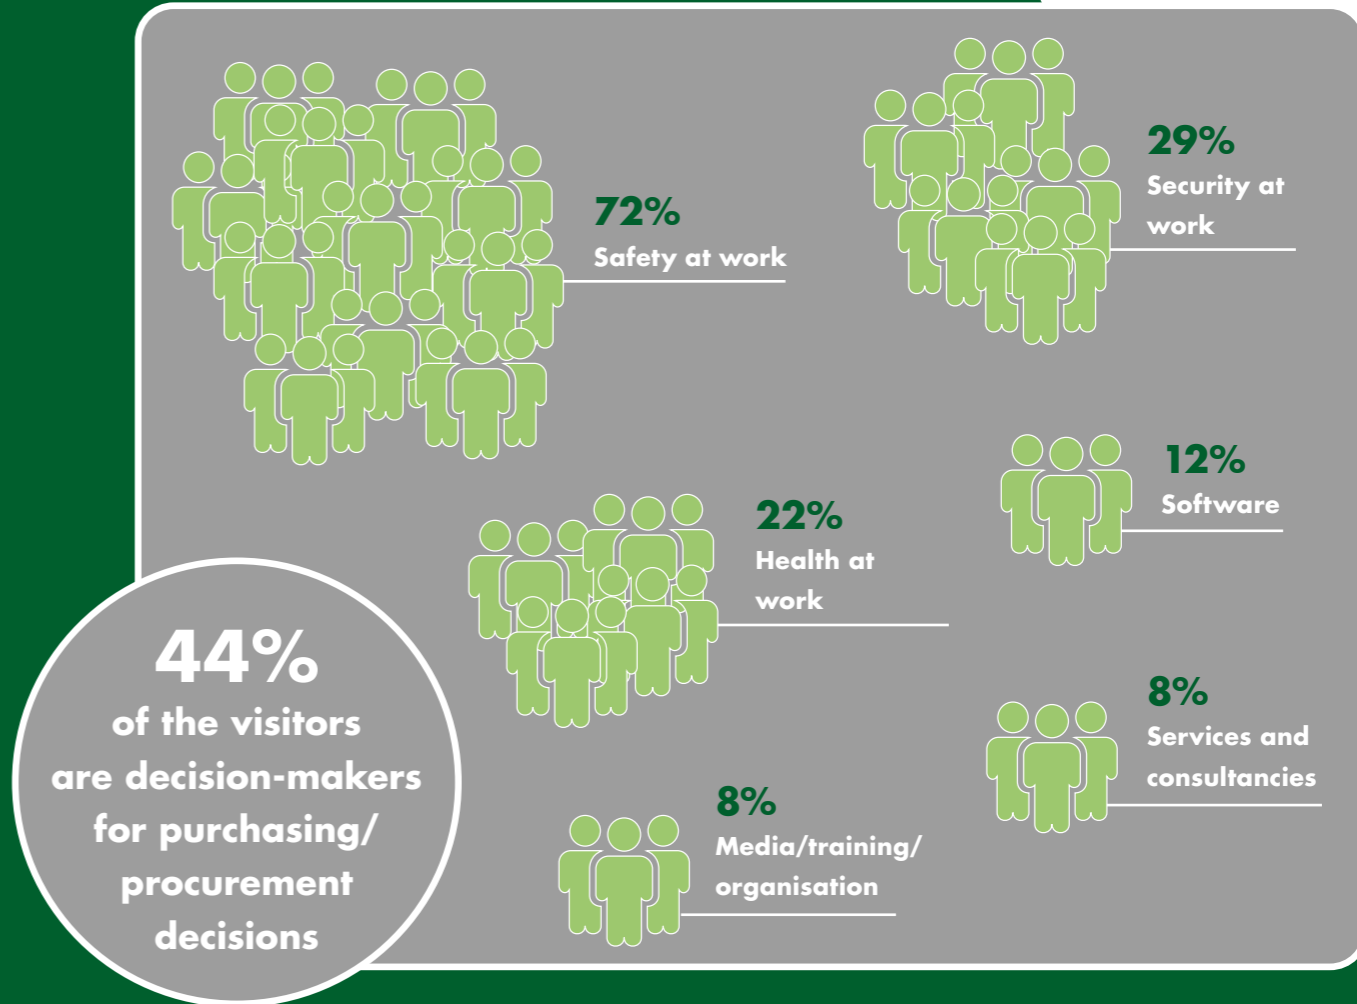

The **Turkish Ministry of Labour and Social Security** was not only involved in the opening ceremony but also actively represented with its own stand. This illustrates the growing importance of safety at work and occupational safety standards in Türkiye.

### VISITOR TARGET GROUPS

Industry	Combined health- and safety-unit
Trade	Public authority, public institution
Engineering consultants	Company doctor, occupational-/travel-/environmental-medicine
Suppliers	Ministry
Services	Professional fire brigade
Education facilities for company doctors and safety specialists	Skilled trade

### AREAS OF INTEREST

## TESTIMONIALS AND IMPRESSIONS

### Fucan

"We believe that the TOS+H fair, which we attended for the first time, was very successful for us. With the experience that TOS+H fair has added to us, we hope to see you at the fairs in the coming years..."

"We participated in the TOS+H exhibition for the first time and it was a truly enlightening experience for us. Despite the limited number of visitors in the new market, we had meaningful consultations with attendees who visited our booth. We are planning to participate in the next exhibition as well. Thank you."

### SBW Co. LTD

"We participated in this fair for the first time this year. We were very impressed by the professional approach of the Organizer from the very beginning of the process until the last day of the fair. Thank you for your interest, approach and professionalism."

### USB Certification

**4,143 REGISTERED TRADE VISITORS FROM 53 COUNTRIES MET 163 EXHIBITORS ON A TOTAL OF 3,501 M<sup>2</sup> AT TOS+H EXPO 2024**

### Ema Ayakkabı

"As Mekap, participating in TOS+H for the second time was a really great experience for our company. Thanks to both the visitor profile and the services provided by the organizer company, we had a fruitful fair. With the excitement of presenting innovations to the sector, we think we were able to leave an impressive impression by introducing our new designs to the visitors and presenting our solutions for the sector. We would like to thank TOS+H for the platform and support it provided us. We are already looking forward to the next TOS+H exhibition."

### Necati Gökhan Aslan, Mekap

"As Ema Ayakkabı, we attended TOS+H EXPO 2024 this year, as before, in order to follow the latest developments in the sector and create global cooperation opportunities. We are proud to launch Ema Ayakkabı's occupational safety product groups this year as every year. TOS+H EXPO is a leading organization that brings together experts, innovations and the latest technologies from around the world in the field of occupational health and safety. In this sense, we believe that it is an event that adds value to the sector in the field of occupational health and safety. We are pleased to bring together industry leaders and experts in this organization, to privilege our knowledge and experience and to contribute with our potential in the business world. In order to further consolidate our success in the sector with the quality and innovative products we offer, we will continue to meet with important stakeholders in the sector by taking our place in future fairs. It is very valuable for us that our successes are appreciated and praised by your valuable team, participants and all visitors. We are confident that we will step forward with the same excitement and success in the upcoming fairs."

**AirBliss+**

"We have spent a great week at TOS+H Expo 2024 in Istanbul. Although Turkey is experiencing some high inflation currently, its industrial economy is solid. The know-how and technical expertise make Turkey a regional industrial hub. We were excited to meet with more than 60 customers and resellers at [www.toshexpo.com](http://www.toshexpo.com). Safety and PPE adoption is soaring in Turkey, and we are proud to be part of it. Thanks, Messe Düsseldorf GmbH for the organization."
